Man Sze Lam

has successfully completed the online, non-credit Specialization

Cybersecurity Foundations

In this specialization, the learner utilized the Infosec Skills platform courses here to give a true introduction to the learner. This Learning Path is set apart by its slow pace and hands-on exercises.

Infosec Instructor

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
