Man Sze Lam

has successfully completed the online, non-credit Specialization

English Intermediate B1

In this specialization, learners developed and honed essential intermediate language skills for study and work. Courses content focused on key vocabulary, grammar and functional language which was studied using a task-based approach, and practiced using a wide range of interactive exercises. The Specialization also focused on softer skills, such as people skills, active listening, and problem-solving, preparing learners for real-life tasks like creating slide and audio presentations, writing reports and summaries and handling negotiations.
